All round nice bloke and usually fun to be with.

Retired sailor of 20-years as a cook. Now a business owner in Nerang.

I have been riding a bike of some description since I was 14-years old. First bike; XR75 1974.

I now ride road bikes and vintage Motocross.

Have about 11 or 12 bikes of all descriptions, mainly vintage Motocross.

I now have a 1963 TR6 Trumpie and a 2003 highly custom America and about 9 Motocross bikes from XR75's to 2009 YS250F.

I only ride to have fun and that's why I like this club.
